This 2020, music was as social as it gets. Distance did not stop the sound waves from reaching their destination.

3 million songs & playlist were shared among users

1.4 million chats around music

Our brand new Live Radio feature enabled virtual parties.

807,041 songs were played in a Live Radio this year

That's **495,510 Live Radios** and close to **1 million early adopters.**

While 2020 will be the year we all want to forget, the fact that music helped us get to the other side makes our hearts lighter.

We're grateful that you were there to share it all with us.
